

Yunque

Guests' pickup and transfer to the park entrance. Welcome and presentation of the local guide. In this option you can enjoy one of the two paths available to the Yunque:

1st option:

Trip without ascent: There will be a walk about an hour and a half, with the chance to see, during the tour, the lush nature, being one of its main attractions the bird-watching. At the end of the tour, there will be free time in a cascade of clear and transparent waters to complete your delight in a day of nature. Guests' return to town.

2nd option:

Ascent to the Yunque: Ascent to the mountain, the highest point of Baracoa, watching varied flora and fauna, including the Cocotrina Yunqueisis, a unique palm species at the place. Guests' return to town.
